

engine::get_windows
_message_handler

```
graph LR; A[engine::get_windows_message_handler] --> B[engine::get_engine]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'engine::get_windows_message_handler' on two lines. The right box is white with a black border and contains the text 'engine::get_engine' on one line. A blue arrow points from the right side of the left box to the left side of the right box.
